50X1-HUM

1. A railroad line was constructed eight kilometers south of Caracal at Devesel leading to the Caracal airfield. The line has two sidings, one is near Devesel, and the other one kilometer from the airfield.
2. Hangars and depots will be constructed between the railroad and the airfield, the distance being one and one half kilometers.
3. The airfield was constructed by UNT (Uniunea Tineretului Muncitor - Youth Labor Union) personnel and soldiers. The railroad line was constructed exclusively by prisoners sentenced for sabotage activities.
